Representing
Highest quality Leather Instrument Cases — Custom made
Box 866
~~529 Main Street x Suite 203~~
Evanston, Illinois

13 October 1964

Mr. T. H. Nelson, Systems Engineer
Interlocking Systems Company
P. O. Box 1546
Poughkeepsie 3, New York

Thank you, Mr. Nelson:

For your interest, and inquiry through "INSTRUMENTS AND CONTROL SYSTEMS - BUYERS GUIDE".

Most of our cases are CUSTOM MADE to fit your special requirements and precise measurements.

Enclosed is a brochure showing a few of the various types of cases we make, also a questionnaire-like Specification Sheet to help you initiate your quotation request at the factory. These high quality leather instrument cases are made by -

The Whitman Saddle Mfg. Co.
Instrument Case Division
1725 Powers Street
Cincinnati, Ohio 45223

Whitman has been in leather nearly a century - although for the past two decades has been specializing in the manufacturing of these cases for those marketing electrical and electronic devices, transceivers, meter testing equipment and related fields.

Please fill in the enclosed spec sheet with as many details as possible, telling us in what quantities you wish us to quote, if you possibly can loan us a sample instrument or a dummy model, and mail to the factory at Cincinnati, Ohio.

If you feel our quotation fits your needs we will be happy to make up a sample (case) for you.

Mr. T. H. Nelson
